# WELCOME!

## 25 FUN THINGS TO DO AT HOME

This page is a must for those who want to stay productive doing something fun while home. I love this printable because I often wonder where the week went outside of regular commitments. Did I do something enjoyable? Did I try something new? I don't have to wonder anymore. It reminds me that there's more to life than just work, work, work.

When you print out a physical copy, you have a visual reminder in front of you. You can write on the paper directly or put it in a plastic sleeve and use a dry erase marker. Either way you can feel the satisfaction of ticking another item off of the list. Hooray!

It can also indirectly nudge you to go out of your comfort zone and try something new.

I hope you enjoy it as much as I do!

Good luck with the list.

Best-

*Karen*
